

## COMPLEX CASE MANAGEMENT REFERRAL FORM

As a Unity Provider, you may identify a Unity patient who could benefit from Complex Case Management. With Complex Case Management (Complex CM) a Medical Management RN Case Manager performs assessment, coordination of resources and ongoing communication with the provider to facilitate quality care and individual treatment plans.

We are presently offering Complex CM for patients with the following diagnosis:

- Asthma with co-morbidities
- Diabetes with co-morbidities

There are many reasons patients are selected by us or practitioners for Complex CM; below are a few examples:

- Chronic Disease, Transplants, HIV,
- Medically complex patients, Cancer Diagnosis
- Frequent hospitalizations
